If your loved one chose cremation, you are probably considering the best way to honor their memory and comfort those who remain. We offer many ways to permanently commemorate and celebrate a life that is now a precious memory. Regardless of whether the deceased chose cremation or a traditional burial, a memorial will show the respect and gratitude they so richly deserve.

We are here to help you select, or even design, the cremation memorial that will permanently honor your loved one in a meaningful way. A memorial—in a cemetery, park, golf course or backyard—can express your feelings and bring a lasting sense of peace and closure.

For over 100 years, families have trusted Peter Troost Monument Company to create timeless tributes—monuments that are as unique as the people they honor.
